EDUCATION

The University of Texas at Austin

Bachelor of Science in Petroleum Engineering, Honors

Minor: Business Foundations

May 2029

3.72/4.0 GPA

EXPERIENCE

Home To Texas

City of Tyler Downtown Intern

Tyler, TX

June 2026 – July 2026

- Analyzed Placer.ai data across 4,000+ business areas to identify traffic patterns, demand, and development opportunities.
- Conducted leakage and void analysis to identify unmet market demand and inform downtown business recruitment strategies.
- Independently conducted outreach to 2,000+ contractors to gather insights and support downtown investment initiatives.

UT Austin AI Energy Hackathon

Lead Data & Geospatial Analyst

Austin, TX

January 2026 – February 2026

- Engineered Python and SQL workflows to audit and process 71 well logs, improving data quality for drilling analysis.
- Performed geospatial and time-series analysis to identify peak production intervals and evaluate reservoir performance.
- Integrated well-log and production data to develop data-driven insights for drilling and reservoir development decisions.

Gonzalez Remodeling

Field Construction Technician

Crockett, TX

May 2023 – August 2025

- Executed residential construction projects involving structural framing, precision measurements, flooring, and finish work.
- Coordinated materials and installations across active job sites while maintaining accuracy, quality, and project timelines.
- Applied hands-on problem-solving to resolve construction issues and adapt work to changing project requirements.

LEADERSHIP & SERVICE EXPERIENCE

Citizenship Coalition

Volunteer Citizenship Tutor

Remote

April 2026 – August 2026

- Provided bilingual English-Spanish tutoring to immigrants preparing for USCIS citizenship interviews.
- Developed individualized lessons to strengthen clients' English proficiency, civics knowledge, and interview readiness.

LEDA Career Institute

Career Fellow

New York, NY

August 2026

- Selected for a national leadership program focused on professional development, emerging technologies, and future leadership.
- Engaged with executives from McKinsey, Moody's, Meta, and Bloomberg through sessions, site visits, and case analysis.

Leadership City Limits

Mooov-In Worker

Austin, TX

August 2025

- Coordinated university move-in logistics with housing teams, supporting the transition of 3,000+ incoming students.

Leo's Club

District Vice-President

District 2-X3, TX

February 2023 – August 2025

- Represented Leo's Club members across the district while supporting chapter engagement and leadership initiatives.
- Coordinated service initiatives and communicated with club leaders to strengthen participation across the district.
- Collaborated with student leaders to organize community service efforts and promote civic engagement.
